

**Michael Bredjda, Managing Director, US Trust Portfolio Management**

**Government Policy and the Economy in 2017,  
What to expect (i.e. The Good, the Bad and the Ugly)**

The Good:

- Moving from Monetary to Fiscal Policy
- Pro Growth Initiatives: Tax Reform and Infrastructure Spending
- Lighter Regulatory Environment

The Bad:

- Rising Interest Rates
- Increased Deficit Spending
- Stronger US Dollar

The Ugly:

- Rising Trade Protectionism
- Anti-immigration Policy
- Unwinding of Globalization
